Comments, if any, pertaining to data:

SECTION 3. PROJECT STATUS

A. Staffing – Indicate whether all positions included in the application have been filled (other than those previously addressed through a formal program modification). If positions remain unfilled, what is the plan and anticipated outcome for staffing of the program? Are surplus funds anticipated due to salary savings, and what is the plan for these funds?

B. Expenditure Status – In relation to the overall grant budget, are federal funds being expended as planned and on schedule? Are matching funds being claimed as planned? If not, please explain why, and describe what expenditure plans exist for the duration of the grant period.

C. Problem Identification – Describe problems the project has encountered during the reporting period, if any, particularly those that may be affecting project effectiveness or have the potential for affecting program outcomes. Examples of areas where problems of this nature may exist are program administration, service delivery, rate of referrals and participant enrollment. Indicate the steps taken to resolve any problems mentioned.

D. Project Changes – Describe major changes or modifications that have taken place in the reporting period, if any. This should include budget, project management, service delivery, or changes to contact persons listed in the original application.

E. Proposed Changes – Describe any changes that are being proposed to improve the program within the next reporting period. (Note that some changes may require a formal Budget/Program Modification to be approved by your Field Representative.)

F. Activities – Describe any significant program activities anticipated in the next reporting period (i.e., award ceremonies, graduation ceremonies, media events).

G. Goals and Progress – Identify the project goals and the progress associated with each goal.
